Introduction

We are pleased to present the 2010 edition of *State Board and Commission Descriptions*. Its purpose is to inform legislators about the many opportunities for private citizens to participate in state government by serving on boards, commissions, task forces, and other bodies.

This book lists positions in state government created by Illinois or federal statute, or by Illinois executive order. No attempt has been made to cover all advisory boards created by state agencies.

The Table of Contents lists names of appointive bodies in alphabetical order; the Index by Subject lists them by subject matter. The entry for each body shows its functions and composition; required or suggested qualifications of members; length of terms; and appointing authority. Some positions are salaried; others get compensation for expenses; and others are uncompensated. Officials who are on boards by virtue of their office (ex officio) often designate other persons to represent them.

State Board and Commission Descriptions was compiled by Laura Davis, who can be contacted at (217) 782-6851.
